

SATURDAY, APRIL 15, 2017

3:00 PM

Salt Lake Library, Auditorium

200 East 400 South

Come share your views on how your concerns are not being represented in Congress.

A citizens panel will focus attention on the representation or non-representation that citizens receive for their tax dollars.

Audience members will engage with the panelists in a lively, moderated discussion.

Your views will then be shared with Utah's Congressional Delegation.

This is an educational event provided by utahns4civicengagement@gmail.com
